

SurModics Plans to Launch Modified Dutch Auction Tender Offer to Purchase up to \$55 Million of Its Common Stock

August 1, 2012

EDEN PRAIRIE, Minn.--(BUSINESS WIRE)--Aug. 1, 2012-- SurModics, Inc. (Nasdaq:SRDX), a leading provider of surface modification and *in vitro* diagnostic technologies to the healthcare industries, today announced its plan to launch a modified "Dutch auction" tender offer to purchase shares of its common stock.

The Company has announced that its Board of Directors has authorized a modified Dutch auction tender offer for up to \$55 million of the Company's common stock. The tender offer is expected to commence on or about August 6, 2012.

"Our confidence in our long-term financial outlook, the strength of our balance sheet, and our many growth opportunities has led us to announce our plan to return cash to shareholders through a tender offer. This tender offer reflects a strategic and disciplined use of cash that returns value to our shareholders, which is one of our key strategic priorities," said Gary Maharaj, President and Chief Executive Officer of SurModics.

A modified Dutch auction tender offer allows shareholders to indicate how many shares and at what price within the Company's specified price range they wish to tender.

Tender Offer Statement

The tender offer described in this release has not yet commenced. This press release is for informational purposes only and is not an offer to buy or the solicitation of an offer to sell any shares of common stock of SurModics.
