May 27, 2015

Webcast is Live on Wednesday, June 3, at 8:30 a.m. (ET)

EDEN PRAIRIE, Minn.--(BUSINESS WIRE)--May 27, 2015-- SurModics, Inc. (Nasdaq:SRDX), a leading provider of surface modification and in vitro diagnostic technologies to the healthcare industry, announced today that Gary Maharaj, president and chief executive officer, and Andy LaFrence, vice president of finance and chief financial officer, will make a presentation to the investment community at the Jefferies Healthcare Conference in New York City on Wednesday, June 3, 2015, at 8:30 a.m. ET (7:30 a.m. CT).

A live audio webcast of the presentation will be available by going to the investor relations portion of the Company's website at www.surmodics.com and clicking on the webcast icon. In addition, the audio presentation will be archived on the Company's website for 90 days following the meeting.

About SurModics, Inc.

SurModics partners with the world's leading and emerging medical device, diagnostic and life sciences companies to develop and commercialize innovative products designed to improve lives by enabling the detection and treatment of disease. The company's core offerings include surface modification coating technologies that impart lubricity, prohealing and biocompatibility characteristics and components for *in vitro* diagnostic test kits and microarrays. SurModics' strategy is to build on the product and technical leadership within these fields, and expand the core offerings to generate opportunities for longer term sustained growth. SurModics is headquartered in Eden Prairie, Minnesota. For more information about the Company, visit www.surmodics.com. The content of SurModics' website is not part of this press release or part of any filings that the Company makes with the SEC.
