EDEN PRAIRIE, Minn.--(BUSINESS WIRE)--Dec. 1, 2015-- SurModics, Inc. (Nasdaq:SRDX), a leading provider of medical device and *in vitro* diagnostic technologies, today announced that Gary Maharaj, president and chief executive officer, and Andy LaFrence, vice president of finance and chief financial officer, will make a presentation to the investment community at the Oppenheimer Healthcare Conference in New York City on Tuesday, December 8, 2015, at 10:55 a.m. ET (9:55 a.m. CT).

A live audio webcast of the presentation, with accompanying slides, will be available by going to the investor relations portion of the Company's website at www.surmodics.com and clicking on the webcast icon. The webcast will be archived on the Company's website and will be available through March 7, 2016.

About SurModics, Inc.

SurModics partners with the world's leading and emerging medical device, diagnostic and life sciences companies to develop and commercialize innovative products designed to improve lives by enabling the detection and treatment of disease. The company's core offerings include surface modification coating technologies that impart lubricity, prohealing and biocompatibility characteristics and components for *in vitro* diagnostic test kits and microarrays. SurModics' strategy is to build on the product and technical leadership within these fields, and expand the core offerings to generate opportunities for longer term sustained growth. SurModics is headquartered in Eden Prairie, Minnesota. For more information about the company, visit www.surmodics.com. The content of SurModics' website is not part of this press release or part of any filings that the company makes with the SEC.
