SURMODICS, INC.

Annual Meeting of Shareholders January 29, 2007

PROXY STATEMENT

INTRODUCTION

Your Proxy is solicited by the Board of Directors of SurModics, Inc. (the "Company") for use at the Annual Meeting of Shareholders to be held on January 29, 2007, at the location and for the purposes set forth in the notice of meeting, and at any adjournment or postponement thereof.

The cost of soliciting Proxies, including the preparation, assembly and mailing of the Proxies and soliciting material, as well as the cost of forwarding such material to beneficial owners of stock, will be borne by the Company. Directors, officers and regular employees of the Company may, without compensation other than their regular remuneration, solicit Proxies personally or by telephone.

Any shareholder giving a Proxy may revoke it at any time prior to its use at the meeting by giving written notice of such revocation to the secretary of the Company, by filing a new written Proxy with an officer of the Company. Personal attendance at the meeting is not, by itself, sufficient to revoke a Proxy unless written notice of the revocation or a subsequent Proxy is delivered to an officer before the revoked or superseded Proxy is used at the meeting. Proxies not revoked will be voted in accordance with the choices specified by shareholders by means of the ballot provided on the Proxy for that purpose. Proxies that are signed but which lack any such specification will, subject to the following, be voted in favor of the proposal set forth in the Notice of Meeting and in favor of the slate of directors proposed by the Board of Directors and listed herein. If a shareholder abstains from voting as to any matter, then the shares held by such shareholder shall be deemed present at the meeting for purposes of determining a quorum and for purposes of calculating the vote with respect to such matter, but shall not be deemed to have been voted in favor of such matter. Abstentions, therefore, as to any proposal will have the same effect as votes against such proposal. If a broker returns a "non-vote" Proxy, indicating a lack of voting instructions by the beneficial holder of the shares and a lack of discretionary authority on the part of the broker to vote on a particular matter, then the shares covered by such non-vote Proxy shall be deemed present at the meeting for purposes of determining a quorum but shall not be deemed to be represented at the meeting for purposes of calculating the vote required for approval of such matter.

The mailing address of the principal executive office of the Company is 9924 West 74th Street, Eden Prairie, Minnesota 55344. The Company expects that this Proxy Statement, the related Proxy and notice of meeting will first be mailed to shareholders on or about December 15, 2006.

ELECTION OF DIRECTORS (Proposals #1 and #2)

General Information

The Bylaws of the Company provide that the number of directors, which shall not be less than three, shall be determined by the shareholders. The Company's Corporate Governance and Nominating Committee and Board of Directors have recommended that the number of directors continue to be set at nine (9). The Bylaws also provide for the election of three classes of directors with terms staggered so as to require the election of only one class of directors each year. Only directors who are members of Class II will be elected at the Annual Meeting. The Class II directors will be elected to a three-year term and, therefore, will hold office until the Company's 2010 Annual Meeting of Shareholders and until their successors have been duly elected and qualified. The terms of Class III and I directors continue until the 2008 and 2009 annual meetings, respectively.

The Corporate Governance and Nominating Committee recommended and the Board of Directors selected John W. Benson, Gerald B. Fischer, and Kendrick B. Melrose as the Board's nominees for re-election as Class II directors. Each Proxy will be voted for each of such nominees unless the Proxy withholds a vote for one or more nominees. If, prior to the meeting, it should become known that any of the nominees will be unable to serve as a director after the meeting by reason of death, incapacity or other unexpected occurrence, the Proxies will be voted for such substitute nominee as is recommended or selected by the Corporate Governance and Nominating Committee and the Board of Directors or, alternatively, not voted for any nominee. The Board of Directors has no reason to believe

that any nominee will be unable to serve. Under applicable Minnesota law, approval of the proposal to set the number of directors at nine (9) requires the affirmative vote of the holders of a majority of the voting power of the shares represented in person or by Proxy at the Annual Meeting with authority to vote on such matter, but not less than the affirmative vote of 4,598,256 shares, and the election of each Class II director requires the affirmative vote by a plurality of the voting power of the shares present and entitled to vote on the election of directors at the Annual Meeting at which a quorum is present.

The following information is provided with respect to each director nominee as well as each director whose term continues after the Annual Meeting:

Code of Ethics and Business Conduct

We have adopted the SurModics Code of Ethics and Business Conduct (the "Code of Conduct"), a code of conduct that applies to our directors, officers and employees. The Code of Conduct is publicly available on our website at www.surmodics.com. If we make any substantive amendments to the Code of Conduct or grant any waiver, including any implicit waiver from a provision of the Code of Conduct to our directors or executive officers, we will disclose the nature of such amendment or waiver on our website or in a report on Form 8-K.

Majority of Independent Directors; Committees of Independent Directors

Our Board of Directors has determined that Messrs. Benson, Bedoya, Fischer, Keller, Koch, Melrose and Meslow, constituting a majority the Board of Directors, are independent directors in accordance with rules of the NASD since none of them are believed to have any relationships that, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Messrs. Olseth and Barclay are precluded from being considered independent by NASD rules since Mr. Barclay currently serves as an executive officer of the Company and Mr. Olseth was employed by the Company within the past three years.

Each member of the Company's Audit Committee, Organization and Compensation Committee and Corporate Governance and Nominating Committee has been determined, in the opinion of the Board of Directors, to be independent in accordance with NASD rules.

Committee and Board Meetings

The Company's Board of Directors has three standing committees - the Audit Committee, the Organization and Compensation Committee and the Corporate Governance and Nominating Committee. During fiscal 2006, the Board of Directors held 7 formal meetings and the standing committees had the number of formal meetings noted below. Each incumbent director attended 75% or more of the total number of meetings of the Board and of Committee(s) of which he was a member in fiscal year 2006.

Audit Committee

The Audit Committee is responsible for reviewing the quality and integrity of the Company's financial reports, the Company's compliance with legal and regulatory requirements, the independence, qualifications and performance of the Company's independent auditor, and the performance of the Company's internal audit function and its accounting and reporting processes. The Audit Committee held five formal meetings during fiscal 2006. Attached as Appendix A is the revised Audit Committee Charter as approved by the Audit Committee in October 2006.

Organization and Compensation Committee

The Organization and Compensation Committee is responsible for matters relating to executive compensation programs, key employee compensation programs, director compensation programs, corporate culture programs, organizational planning and changes at the executive level. The Organization and Compensation Committee held three formal meetings during fiscal 2006.

Corporate Governance and Nominating Committee; Procedures and Policy

The Corporate Governance and Nominating Committee is responsible for identifying individuals qualified to become Board members, recommending to the Board the director nominees for election to the Board, recommending to the Board corporate governance guidelines applicable to the Company, and leading the Board in its annual review of the Board's performance. Attached as Appendix B is the revised Corporate Governance and Nominating

Committee Charter as approved by the Corporate Governance and Nominating Committee in September 2006. The Corporate Governance and Nominating Committee held two formal meetings during fiscal year 2006. The Corporate Governance and Nominating Committee's nominating policy provides for the consideration of candidates recommended by shareholders, directors, third parties, search firms and others. In evaluating director nominees, the Corporate Governance and Nominating Committee considers the following factors and qualifications:

- the appropriate size and the diversity of the Company's Board of Directors;
- the needs of the Board with respect to the particular talents and experience of its directors;
- the knowledge, skills and experience of nominees, including experience in the industry in which the Company operates, business, finance, management or public service, in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board;
- familiarity with domestic and international business matters;
- age and legal and regulatory requirements;

- experience with accounting rules and practices;
- appreciation of the relationship of the Company's business to the changing needs of society; and
- the desire to balance the considerable benefit of continuity with the periodic injection of the fresh perspective provided by new members.

The Corporate Governance and Nominating Committee will consider the attributes of the candidates and the needs of the Board and will review all candidates in the same manner, regardless of the source of the recommendation. A shareholder who wishes to recommend one or more directors must provide a written recommendation to the Secretary of the Company at the address below. Notice of a recommendation must include:

with respect to the shareholder:

- name, address, the class and number of shares such shareholder owns;

with respect to the nominee:

- name, age, business address, residence address;
- current principal occupation;
- five year employment history with employer names and a description of the employer's business;
- the number of shares beneficially owned by the nominee;
- whether such nominee can read and understand basic financial statements; and
- Board membership, if any.

The recommendation must be accompanied by a written consent of the nominee to stand for election if nominated by the Board of Directors and to serve if elected by the shareholders. The Company may require any nominee to furnish additional information that may be needed to determine the eligibility of the nominee. Such recommendation must be submitted to the Secretary of the Company no later than 120 days prior to the mailing of the proxy statement for the next Annual Meeting of Shareholders.

The Corporate Governance and Nominating Committee believes that candidates for directors should have certain minimum qualifications, including being able to read and understand basic financial statements, having familiarity with the Company's business and industry, having high moral character and mature judgment, being able to work collegially with others, and not currently serving on more than four Boards of public companies. The Corporate Governance and Nominating Committee may modify these minimum qualifications from time to time.

Director Attendance Policy

Directors Fees

Each director (other than the Chairman) who is not an employee of the Company receives \$10,000 as an annual retainer and \$1,000 for each Board meeting attended. Further, each committee member receives \$500 for each committee meeting attended and each committee chair receives \$2,000 as an annual retainer fee. Each non-employee director is granted an option under the Amended and Restated 2003 Equity Incentive Plan to purchase 10,000 shares of Company Common Stock upon his or her first election to the Board of Directors, and each non-employee director is granted annually thereafter an option under such Plan to purchase 5,000 shares of Company Common Stock. The Chairman receives an annual retainer of \$100,000 and is granted annually an option under the Amended and Restated 2003 Equity Incentive Plan to purchase 10,000 shares of Company Common Stock. EXECUTIVE COMPENSATION AND OTHER INFORMATION

Organization and Compensation Committee Report on Executive Compensation

Compensation Committee Interlocks and Insider Participation

The Organization and Compensation Committee (“Committee”) of the Board of Directors of the Company is currently composed of five of the Company’s outside directors. None of the members of the Committee is an employee or executive officer of the Company.

Compensation Philosophy

The Committee’s executive compensation policies are designed to enhance the financial performance of the Company, and thus shareholder value, by aligning the financial interests of executive officers and employees with those of shareholders. The executive compensation program is viewed in total considering all of the component parts: base salary, annual performance incentives, benefits and long-term incentive opportunities in the form of stock options, restricted stock grants, restricted stock units, performance awards and stock ownership. The Committee’s position is that stock ownership by executive officers and employees is beneficial in aligning management’s and shareholders’ interests in the enhancement of shareholder value.

Base Salary

Base salaries for executive officers of the Company are reviewed by the Committee. The Committee assesses the executive officer’s level of responsibility, experience, individual performance, and accountabilities relative to other Company executive officers and external market practices. The Company’s annual base salaries for its executive officers are generally conservative when compared to base salaries offered by comparable companies. However, the Committee believes that executive officers’ base salaries, when combined with incentive plans based on the Company’s financial performance, are generally competitive with compensation levels at comparable companies. The Company’s pay-for-performance philosophy places a substantial portion of executive officers’ total compensation “at risk” while providing compensation opportunities which are comparable to the market levels.

Incentives

The Company may grant some executive officers long-term awards, including restricted stock units, performance awards, stock options, and restricted stock. The purposes of the awards are to:

- (i) focus executives on the achievement of performance objectives that enhance shareholder value;
- (ii) emphasize the importance of balancing present business needs and long-term goals critical to the future success of the Company; and
- (iii) attract and retain executive officers of superior ability.

Annual Incentive Plan. The Company has annually established a cash bonus plan that enables the Company’s employees, including its executive officers, to earn a bonus, calculated as a percentage of their annual base salary, based on the achievement of certain financial and operational goals by the Company. The actual percentage award for all employees is determined based on the achievement of certain revenue goals, earnings goals, and non-financial objectives for the fiscal year, and at times the particular year’s plan has contained higher threshold financial goals for executive officers. The maximum bonus under the FY 2006 Bonus Plan was 40% of the officer’s base salary.

Amended and Restated 2003 Equity Incentive Plan. Under the Company’s current Amended and Restated 2003 Equity Incentive Plan, 2,400,000 shares of Common Stock were reserved for issuance to executive officers, directors, consultants and employees. Options granted under the plan may be either “incentive” stock options within the meaning of Section 422 of the Internal Revenue Code or “nonqualified” stock options that do not qualify for special tax treatment under Section 422 of the Internal Revenue Code. The options are granted at 100% of the fair market value of the Common Stock on the date of grant. Options typically expire seven to ten years from the date of grant or upon termination of employment, and are exercisable at a rate of 20% per year from the date of grant or 20% per year commencing one year after the date of grant. The Amended and Restated 2003 Plan also allows the grant

of stock awards, with or without forfeiture restrictions, performance share awards and performance units awards. Performance share awards generally provide the participant with the opportunity to receive shares of the Company’s Common Stock and performance units generally provide recipients with the opportunity to receive cash awards, but only if the certain performance criteria are achieved over specified performance periods. As of September 30, 2006 there were approximately 1,510,780 shares of Common Stock to be issued upon the exercise of outstanding awards and 991,630 available for grant under the Amended and Restated 2003 Equity Incentive Plan.

Shareholders approved the 2003 Equity Incentive Plan at the 2003 Annual Meeting of Shareholders, an amendment to the Plan at the 2005 Annual Meeting to increase the cumulative reserve under the Plan to 2,400,000 shares, and the Amended and Restated 2003 Equity Incentive Plan at the 2006 Annual Meeting. Following the original approval of the 2003 Plan, no further options or stock awards were or will be granted from the *1997 Incentive Stock Option Plan, the Nonqualified Stock Option Plan, or the Restricted Stock Plan* described below.

1997 Incentive Stock Option Plan. Under the Company’s 1997 Incentive Stock Option Plan, 1.2 million shares of Common Stock were reserved for issuance to executive officers and employees. The 1997 Plan requires that the option price per share must be at least 100% of the fair market value of the Common Stock on the date of the option grant. Options typically expire seven years from the date of grant or upon termination of employment, and are exercisable at a rate of 20% per year commencing one year after the date of grant. There are approximately 379,475 shares of Common Stock to be issued upon the exercise of outstanding options, but no further options will be granted from the *1997 Incentive Stock Option Plan*.

Nonqualified Stock Option Plan. Under the Company's Nonqualified Stock Option Plan, 1,944,480 shares of Common Stock were reserved for issuance to outside directors, executive officers and employees. The options were granted at 100% of the fair market value of our common stock on the date of the grant. Options expire seven to ten years from the date of grant, and are exercisable at a rate of 20% per year from the date of grant or 20% per year commencing two years after the date of grant. There are approximately 163,400 shares of Common Stock to be issued upon the exercise of outstanding options, but no further options will be granted from the *Nonqualified Stock Option Plan*.

Restricted Stock Plan. Under the Company's Restricted Stock Plan, 200,000 shares of Common Stock were reserved for issuance to executive officers and key employees. Under the Restricted Stock Plan, grants of restricted stock vest in full five years from the date of grant. No further stock awards will be granted from the *Restricted Stock Plan*.

General

The Company provides medical and insurance benefits to its executive officers which are generally available to all Company employees. The Company also maintains a 401(k) savings plan in which all qualified employees, including the executive officers, may participate. The Company provides matching contributions to the savings plan for all participating employees, allowing such employees to earn up to an additional 3% of their annual base salary. In addition, the Company maintains a Stock Purchase Plan that permits qualified employees, including executive officers, to purchase stock of the Company at favorable prices. The amount of perquisites allowed to executive officers, as determined in accordance with rules of the Securities and Exchange Commission, did not exceed 10% of salary in fiscal 2006.

Chief Executive Officer Compensation

Bruce J Barclay became Chief Executive Officer in July 2005. Mr. Barclay's annual base salary and eligibility for annual incentives, set forth in the following tables, were determined in accordance with the policies described above as applicable to all executive officers.

Other

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), limits the deductibility of certain compensation paid to the chief executive officer and each of the four other most highly compensated executives of a publicly-held corporation to \$1 million per executive per year. However, performance-based compensation is excluded from this limit if certain Section 162(m) conditions are met. Although, in fiscal 2006, the Company did not pay "compensation" within the meaning of Section 162(m) to any of such executive officers in excess of \$1 million, the Company has amended and restated its 2003 Equity Incentive Plan to provide for flexibility in granting performance-based awards that will be excluded from the Section 162(m) deductibility cap and to otherwise provide features to awards so as to help avoid having Section 162(m) compensation paid to such executive officers as will exceed the \$1 million deductibility.

- (1) Amounts in 2006 represent compensation earned in fiscal 2006 (i) under a bonus plan for the Company's officers enabling them to receive a cash payout of up to 40% of their base salary and (ii) the dollar value of amounts paid in shares of common stock pursuant to performance share awards granted under the Company's Amended and Restated 2003 Equity Plan. The dollar value of the shares was calculated by multiplying the number of shares awarded by the closing market price on the date the shares vested. Mr. Barclay received a cash bonus of \$39,000 and 12,500 shares, Mr. Lopez \$26,676 and 1,800 shares, Mr. Keough \$24,838 and 1,250 shares, Mr. Ankeny \$23,185 and 1,250 shares, and Mr. Robey received \$16,426 in cash and 1,250 shares. Mr. Lopez was granted a performance share award for a total of 10,000 shares to be vested over a five-year period. One-fifth of the award was vested in fiscal 2006, and Mr. Lopez was paid 1,800 shares under such award. See description of the performance share award under the LTIP Table. 2005 amounts represent compensation earned under a cash bonus plan only enabling them to receive a payout of up to 26.67% of their base salary. The

12

amount of the cash bonus and performance shares vested is determined based on the achievement of certain revenue and profit goals for the year. The Company did not achieve the goals set for officers for the 2004 plan, and therefore no officer received a bonus in 2004 under the plan.

- (2) Represents the dollar value of the restricted stock award calculated by multiplying the number of shares awarded by the closing market price on the date of the grant. In 2006, Mr. Barclay was awarded 7,500 shares, Mr. Keough 5,000 shares, Mr. Ankeny 7,500 shares, and Mr. Robey's award was for 5,000 shares. In 2005, Mr. Barclay was awarded 25,000 shares, Mr. Lopez 10,000 shares, Mr. Keough 5,000 shares, Mr. Ankeny 10,000 shares and Mr. Robey 2,000 shares. In 2004, Mr. Barclay's award was for 15,000 shares and Mr. Keough's award was for 5,000 shares. All 2006 awards vest ratably each year for 3 years after the date of grant. All 2005 (except Mr. Lopez's) and 2004 awards will cliff vest five years after the date of grant. Mr. Lopez's 2005 award vests ratably each year for 5 years after the date grant. The holder of a restricted stock award is entitled to receive all dividends attributable to the shares.
- (3) Represents contributions made by the Company under its 401(k) plan. Mr. Barclay's 2004 All Other Compensation included a one-time \$90,000 relocation payment and a \$56,250 payment related to his acceptance of employment. Mr. Robey's 2006 All Other Compensation included a \$10,000 payment related to his completing one year of employment. Mr. Robey's 2005 All Other Compensation included a \$20,000 payment related to his acceptance of employment.
- (4) The Organization and Compensation Committee provided for the granting of options for 9,000 shares to Mr. Keough in fiscal year 2005 rather than bonuses under the annual cash bonus plan for fiscal year 2005 and fiscal year 2004. Such options are included in the third to last column of the above table for 2005.
- (5) Mr. Olseth retired as the Executive Chairman of the Company on July 31, 2006.

Under the Company's Nonqualified Stock Option Plan, 1,944,480 shares of Common Stock were reserved for issuance to outside directors, executive officers and employees. The options were granted at 100% of the fair market value of our common stock on the date of the grant. Options expire seven to ten years from the date of grant, and are exercisable at a rate of 20% per year from the date of grant or 20% per year commencing one year after the date of grant. Change of Control Arrangements

The Company entered into Change of Control Agreements (the "Agreements") with Bruce J Barclay, President and Chief Executive Officer, and Philip D. Ankeny, Senior Vice President and Chief Financial Officer, in April 2006 and with Paul A. Lopez, Vice President and President, Ophthalmology Division, in November 2006 (each, the "Executive"), which Agreements were approved by the Organization and Compensation Committee of the Board of Directors.

The Agreements will be in effect for a term of three years unless a "change of control" (as such term is defined in the Agreements) occurs within such three-year period, in which case, the Agreements will terminate twelve months following the occurrence of such a change of control. Each Agreement provides that the Company may terminate the employment of the Executive, for any reason or no reason, at any time prior to the earlier of a change of control or the third anniversary of the Agreement without obligation for severance benefits.

If within twelve months following the occurrence of a change of control, the Executive's employment with the Company is terminated either by the Company without cause or by the Executive for good reason, then the Executive is entitled to receive a severance payment equal to three times (in the case of Mr. Barclay), two times (in the case of Mr. Ankeny) or one times (in the case of Mr. Lopez) the average cash compensation paid to the Executive during the three most recent taxable years and to continue coverage under life, health, dental and disability benefit plans for up to eighteen months. In addition, any unvested portions of the Executive's outstanding options or stock appreciation rights will immediately vest and become exercisable, any remaining forfeiture provisions on his outstanding restricted

15

stock awards will immediately lapse, and a portion of the shares subject to his outstanding performance awards will immediately vest and become payable. If any change of control benefit payable to the Executive would constitute an excess parachute payment under Section 280G of the Internal Revenue Code, the Executive will receive a tax gross-up payment sufficient to pay the initial excise tax applicable to such excess parachute payment.

Effective August 1, 2006, the Board accepted the resignation of Mr. Olseth as Executive Chairman of the Board. The Board approved certain retirement benefits and other arrangements for Mr. Olseth as follows: (a) the Company provided Mr. Olseth with his salary compensation due for the remainder of fiscal year 2006; (b) during the period between August 1, 2006, and August 31, 2007, the Company will provide reimbursement of 100% of all reasonable and customary office expenses incurred by Mr. Olseth for his personal and business use, including in connection with his service as a director to the Company; (c) during the period between September 1, 2007 and August 31, 2008, the Company will provide reimbursement of 50% of such reasonable and customary office expenses; and (d) during the period between the August 1, 2006, and February 29, 2008, the Company will provide salary compensation and make available certain of its standard employee benefits to an administrative assistant to work with and support Mr. Olseth in his personal and business matters, including in connection with his service as a director to the Company.

Officers, directors and greater than 10% shareholders ("Insiders") are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based on a review of the copies of such reports furnished to the Company, during the fiscal year ended September 30, 2006, all Section 16(a) filing requirements applicable to Insiders were complied with.

AUDIT COMMITTEE REPORT

The Board of Directors maintains an Audit Committee comprised of three of the Company's outside directors. The Board of Directors and the Audit Committee believe that the Audit Committee's current member composition satisfies the rule of the National Association of Securities Dealers, Inc. ("NASD") that governs audit committee composition, including the requirement that audit committee members all be "independent directors" as that term is defined by NASD rules.

In accordance with the written charter adopted by the Board of Directors, the Audit Committee assists the Board of Directors with fulfilling its oversight responsibility regarding the quality and integrity of the accounting, auditing and financial reporting practices of the Company. In discharging its oversight responsibilities regarding the audit process, the Audit Committee:

- (1) reviewed and discussed the audited financial statements with management;
- (2) discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61; and
- (3) reviewed the written disclosures and the letter from the independent auditors required by the Independence Standards Board's Standard No. 1, and discussed with the independent auditors any relationships that may impact their objectivity and independence.

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2006, as filed with the Securities and Exchange Commission.

Members of the Audit Committee:

 Kenneth H. Keller, Ph.D.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Deloitte & Touche LLP has acted as the Company's independent auditors for the past two fiscal years ended September 30, 2005 and September 30, 2006, and it is expected that at an Audit Committee meeting to be held prior to the Annual Meeting, such firm will be formally selected by the Audit Committee to serve as the Company's independent auditors for the current fiscal year ending September 30, 2007. Representatives of Deloitte & Touche LLP are expected to be present at the meeting, will be given an opportunity to make a statement regarding financial and accounting matters of the Company if they so desire, and will be available to respond to appropriate questions from the Company's shareholders.

Audit Fees. The aggregate fees billed by Deloitte & Touche LLP for professional services rendered in connection with the audit of the Company's annual financial statements and reviews of the financial statements included in the Company's Forms 10-Q for fiscal years 2006 and 2005 were \$257,552 and \$189,214, respectively.

Audit-Related fees. The aggregate fees billed by Deloitte & Touche LLP for audit-related services rendered to the Company during fiscal 2006 and 2005 were \$17,840 and \$47,125, respectively. The audit-related fees in 2006 were related to accounting consultations. The fees in 2005 were associated with due diligence and accounting consultations related to the Company's acquisition of InnoRx, Inc.

Tax Fees. Deloitte & Touche LLP did not bill for tax-related services (tax compliance, tax planning, and tax advice) in fiscal 2006 or 2005.

All Other Fees. Deloitte & Touche LLP did not bill any other fees in fiscal 2006 or fiscal 2005.

The Company's Audit Committee pre-approved all of the services described in each of the items above. In addition, the Audit Committee considered whether provision of the above non-audit services was compatible with maintaining Deloitte & Touche LLP's independence and determined that such services did not adversely affect Deloitte & Touche LLP's independence. However, the Audit Committee approved the appointment of PricewaterhouseCoopers LLC to provide tax-related services in fiscal 2005 to avoid any questions of independence in the future.

18

Pre-Approval Policies and Procedures

Pursuant to its written charter, the Audit Committee is required to pre-approve the audit and non-audit services performed by the Company's independent auditors in order to assure that the provision of such services does not impair the auditor's independence. A pre-approval policy was approved by the Audit Committee on October 25, 2004. Unless a particular service has received general pre-approval by the Audit Committee, each service provided must be specifically pre-approved. Any proposed services exceeding pre-approved costs levels will require specific pre-approval by the Audit Committee or the Chairman of the Audit Committee. The Audit Committee may delegate pre-approval authority to the Chairman of the Audit Committee, who will then report any pre-approval decisions to the Audit Committee at its next scheduled meeting.

OTHER BUSINESS

Management knows of no other matters to be presented at the meeting. If any other matter properly comes before the meeting, the appointees named in the Proxies will vote the Proxies in accordance with their best judgment.

Also, if a shareholder proposal intended to be presented at the 2008 Annual Meeting but not included in the Company's Proxy Statement and Proxy is received by the Company after October 31, 2007, then management named in the Company's Proxy for the 2008 Annual Meeting will have discretionary authority to vote shares represented by such Proxies on the shareholder proposal, if presented at the meeting, without including information about the proposal in the Company's proxy materials.

ANNUAL REPORT

A copy of the Company's Annual Report to Shareholders, including its Annual Report on Form 10-K containing financial statements for the fiscal year ended September 30, 2006, accompanies this Notice of Meeting and Proxy Statement. No part of the Annual Report, including any portion of the Annual Report on Form 10-K, is incorporated herein and no part thereof is to be considered proxy soliciting material.

EXHIBITS TO FORM 10-K

The Company will furnish to each person whose Proxy is being solicited, upon written request of any such person, a copy of any exhibit described in the exhibit list accompanying the Form 10-K, upon the payment, in advance, of reasonable fees related to the Company's furnishing such exhibit(s). Requests for copies of such report and/or exhibit(s) should be directed to Mr. Philip D. Ankeny, Chief Financial Officer, at the Company's principal address.

Appendix A

I. PURPOSE

The Audit Committee (the “Committee”) of the Board of Directors of SurModics, Inc. (the “Company”), shall provide assistance to the Board in its oversight of (a) the quality and integrity of the Company’s financial reports; (b) the Company’s compliance with legal and regulatory requirements; (c) the independence, qualifications and performance of the Company’s independent auditor; and (d) the performance of the Company’s internal audit function, and accounting and reporting processes. In addition, the Committee shall cause the preparation of the report required by the Securities and Exchange Commission’s (the “SEC”) proxy rules to be included in the Company’s annual proxy statement and shall have the further duties and responsibilities as set forth in this Charter. In achieving these purposes, it is the Committee’s responsibility to foster free and open means of communication between the Company’s directors, independent public accountants, internal auditors (if any), outside legal counsel, and management.

II. MEMBERSHIP

The Committee shall consist of three or more directors elected by the Board, each of whom shall meet the independence requirements of the Nasdaq Stock Market, Inc. (“Nasdaq”) and federal securities laws. Committee members shall serve until their successors are duly elected and qualified, or until such member’s resignation or removal by the Board. The Chair of the Committee shall be elected by the Board, or if not elected by the Board, then by the majority of the members of the Committee. In addition, no member of the Committee shall receive any compensation whatsoever from the Company other than compensation paid to such member as a director of the Company and member of one or more committees of the Company’s Board of Directors.

All Committee members shall have a working familiarity with basic finance and accounting practices and shall be able to read and understand fundamental financial statements, including the Company’s balance sheet, income statement, and cash flow statement either at the time of their election to the Committee, or within a reasonable period of time after their election. At least one member of the Committee shall be an “audit committee financial expert”, as interpreted in the business judgment of the Board, in accordance with such regulations as may be applicable to the Company from time to time.

III. RESPONSIBILITIES

The Committee’s function is not to replace the Company’s management, internal auditors or independent auditors, but rather one of oversight, recognizing that the Company’s financial management, and the internal and independent auditors have more knowledge and information about the Company than do Committee members. Consequently, the Committee further recognizes that (a) the Company’s management is responsible for preparing the Company’s financial statements, for developing and maintaining adequate systems of internal controls and for ensuring compliance with laws and regulations and the Company’s Code of Business Conduct, and (b) the independent auditor is responsible for auditing or reviewing, as applicable, the financial statements, and for attesting to management’s internal control reports. In carrying out its oversight responsibilities, the Committee shall undertake the following activities (in addition to any others that the Board may from time to time delegate to the Committee):

Independent Auditors

1. The Committee shall be directly responsible for the appointment, compensation, termination, oversight and evaluation of the work of the Company’s independent auditors performed for the purpose of preparing or issuing an audit report or related work. The Company’s independent auditors shall report directly to the Committee.
2. The Committee shall pre-approve all audit services and non-audit services rendered to the Company by its independent auditors in accordance with any pre-approval policies and procedures established by the Committee.
3. The Committee shall, at least annually,

A-1

(a) obtain and review a report by the independent auditors describing (i) the independent auditors’ internal quality control procedures; (ii) any material issues raised by the most recent internal quality-control review, or peer review, of the independent auditors, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, with respect to any independent audit carried out by the independent auditors, and any steps taken to deal with any such issues; and (iii) all relationships between the independent auditor and the Company, including the matters covered by Independence Standards Board Standard No. 1; and

(b) review and discuss with the independent auditors their periodic disclosures regarding independence, and any relationships or services that may impact the objectivity and independence of the independent auditors.

After reviewing the foregoing reports/disclosures and the independent auditors’ work throughout the year, the Committee shall evaluate the independent auditors’ qualifications, performance and independence. In making its evaluation, the Committee should take into account the opinions of management, and shall present its conclusions with respect to the independent auditor to the Board.
